

# Art and Design

---

Every good company realises that creativity and good design are important factors in generating new business. So as well as developing your creativity and learning to express yourself visually, art can open the door to exciting career opportunities.

## Year 12

Students study 1 component that allows them to investigate a range of methods, exploring a variety of media to produce a coursework portfolio that reflects their own interests. They will also investigate a range of artists that have influenced and inspired their work. This year gives them a great opportunity to experiment thoroughly with media and ideas.

## Year 13

Students will develop their interests further as part of a specialist project that reflects their own interests which is supported by a personal, written and illustrated study of about 3000 words. They will also complete an externally set assignment.

### Units: Year 12

01. Portfolio of work

### Units: Year 13

04. Personal Investigation

05. Externally set assignment

## Opportunities

On completing this course, students may choose to follow an Arts Foundation course before entering university or they may go straight into an arts based degree. The subject provides a great basis for those aiming to join the world of advertising, become graphic designers, illustrators, typographers or painters, sculptors, textile designers, fashion designers or photographers to name just a few.
