Family Learning Sessions

At St. Wilfrid's RC College we believe it's important to work in partnership with parents and carers.

We have organised a series of family learning sessions at school where a member of staff or an expert in their field talks about a subject to give parents and carers more information on how they can support their children's education.

Family learning sessions aim to ensure that parents are kept abreast of current educational trends, teaching methods and the ways in which children can be best helped to reach their potential.

If you wish to attend, in order that we can cater accordingly, please reserve your place at a **FREE session by emailing: AHarrison@st-wilfrids.org**

All sessions will take place on a Monday evening from 5.30-6.30pm in Nichols Hall at St. Wilfrid's RC College on the following dates:

24th September	Online Safety
10th December	Mental Health
4th February	British Values / Prevent
25th February	Revision Strategies
13th May	A Child's Stages of Development (led by Nadia McSheffrey, founder of The Tranquil Treehouse www.thetranquiltreehouse.com)
1st July	Open session (<i>to respond to areas of need</i>)
