They will have their own entrance and exit, handwashing stations, toilets and classrooms.● Within each bubble, students will work in small classes, of no more than seven pupils.	<u>Hygiene and cleanliness</u> <ul style="list-style-type: none">● We will have additional hand washing stations at the entrance and exit to the building● Classrooms, toilets, stairwells and doors will be cleaned after each session at the end of the day● Students will be provided with tissues and a bag to dispose of waste in at their desk● Classroom doors and windows will be open to aid ventilation

Why are we opening

We feel it is helpful for students to have an opportunity to have a face to face conversations with teachers passing on any concerns about work in subject areas and carrying out preparations for University and post sixth form planning.

During the double session student will

- Have an opportunity to ask questions
- Find out about UCAS and Apprenticeships
- Be supported to produce personal statements and CV's

This will compliment further home learning from staff to meet the needs of students

Structure of Opening

Students will come into school for their session on one day per week as follows:

House- Columba	Day
Group 1	Monday
Group 2	Wednesday
Group 3	Friday

We will contact students using their school email with groups and days in.

Provisionally, timings of the school day for year 12 will be in two- three hour slots.

However, timings will be confirmed nearer to re-opening, in-line with any government updates.
