Dear Parent / Carer

Advice for Child to Self-Isolate for 14 Days

We have been advised that there has been a confirmed case of COVID-19 within the school within our Year 7 bubble.

We have identified that your child has been in close contact with the affected case. In line with the national guidance we recommend that your child now stays at home and self-isolate and return to school on Friday 2nd of October. Your child must not go to school or any public areas: your child must remain at home. Further details of what your child needs to do are in NHS Guidance:

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-for-coronavirus/nhs-test-and-trace-if-youvebeen-in-contact-with-a-person-who-has-coronavirus/>

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact your local Council.

Other members of your household can continue normal activities provided your child does not develop symptoms within the self-isolation period.

If your child is well at the end of the period of self-isolation, then they can return to usual activities.

What to do if your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If your child develops any of these symptoms of COVID-19, they should remain at home and arrangements should be made for them to be tested. At that time all other household members must also stay at home, not go to work, school or public areas, even for exercise.

Testing can be arranged by calling 119 or via the NHS website: nhs.uk/coronavirus

When the result of the child's test is known further advice will be available.

How to stop COVID-19 spreading

Northern Saints
Teaching School Alliance

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID19:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further information is available at [nhs.uk/coronavirus](https://www.nhs.uk/coronavirus)

Yours sincerely

M.J.Price

Acting Head Teacher

Year 7 Remote Learning

Students who are self-isolating will be able to access work and communicate with staff using Google Classroom:

- Google Classroom - including a diet of worksheets, Power Points with activities, retrieval tasks, quizzes, and past examination papers at Key Stage 4 and 5.
- Contacting staff – Google Classroom has a messaging function whereby students can contact teaching staff to ask for support in completing tasks.
- Further information about Google Classroom and Google Classroom tutorials can be found on our website on the news and events page: <https://www.st-wilfrids.org/google-classroom-learning-platform/>
- Paper resources will be sent out to students who do not have access to Google Classroom.

Actions that students need to take:

- Log onto Google Classroom using their school email address, not their personal email address.
- Invite themselves to the Year Group Class (code below)
- Invite themselves to their Subject Classes (codes below)
- Please be careful with capital letters and lowercase letters.
- Log on daily and follow their timetable to complete and submit the learning that has been assigned to them by their subject teachers.

Support

- Technical support and forgotten emails or passwords. Contact: helpdesk@st-wilfrids.org
- Difficulties with the classwork. Contact the subject teacher through Google Classroom.
- Difficulties with internet or computer access. Contact the Head of House.
