

At this school we keep each other safe by:

Washing our hands often

Wearing a mask when moving around the building

Trying to keep our distance wherever possible

Staying at home if we feel unwell (High temp, cough, no taste/smell)

By doing all of this Team Wilfies can help stop the spread of the virus in our local community.

St Wilfrid's RC College

We all have our part to play

COVID-19 (coronavirus) absence: A quick guide for parents / carers

What to do if...	Action needed	Back to school...
 <p>...my child has COVID-19 (coronavirus) symptoms*</p>	<ul style="list-style-type: none"> Child shouldn't attend school Child should get a test Whole household self-isolates while waiting for test result Inform school immediately about test results 	<p>...when child's test comes back negative</p>
 <p>...my child tests positive for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> Child shouldn't attend school Child self-isolates for at least 10 days from when symptoms* started (or from day of test if no symptoms) Inform school immediately about test results Whole household self-isolates for 14 days from day when symptoms* started (or from day of test if no symptoms) - even if someone tests negative during those 14 days 	<p>...when child feels better, and has been without a fever for at least 48 hours</p> <p>They can return to school after 10 days even if they have a cough or loss of smell / taste. These symptoms can last for several weeks once the infection is gone.</p>
 <p>...somebody in my household has COVID-19 (coronavirus) symptoms*</p>	<ul style="list-style-type: none"> Child shouldn't attend school Household member with symptoms should get a test Whole household self-isolates while waiting for test result Inform school immediately about test results 	<p>...when household member test is negative, and child does not have COVID-19 symptoms*</p>
 <p>...somebody in my household has tested positive for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> Child shouldn't attend school Whole household self-isolates for 14 days from day when symptoms* started (or from day of test if no symptoms) - even if someone tests negative during those 14 days 	<p>...when child has completed 14 days of self-isolation, even if they test negative during the 14 days</p>

* Symptoms include at least one of a high temperature; a new continuous cough; a loss of or change to your sense of smell or taste. See more at:

• www.nhs.uk/conditions/coronavirus-covid-19/symptoms

What to do if...	Action needed	Back to school...
 <p>...NHS Test and Trace has identified my child as a 'close contact' of somebody with symptoms* or confirmed COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> Child shouldn't attend school Child self-isolates for 14 days (as advised by NHS Test and Trace) - even if they test negative during those 14 days Rest of household does not need to self-isolate, unless they are a 'close contact' too 	<p>...when the child has completed 14 days of self-isolation, even if they test negative during those 14 days</p>
 <p>...we / my child has travelled and has to self-isolate as part of a period of quarantine</p>	<ul style="list-style-type: none"> Do not take unauthorised leave in term time Consider quarantine requirements and FCO advice when booking travel Provide information to school as per attendance policy <p>Returning from a destination where quarantine is needed:</p> <ul style="list-style-type: none"> Child shouldn't attend school Whole household self-isolates for 14 days - even if they test negative during those 14 days 	<p>...when the quarantine period of 14 days has been completed for the child, even if they test negative during those 14 days</p>
 <p>...we have received advice from a official source that my child must resume shielding</p>	<ul style="list-style-type: none"> Child shouldn't attend school Contact school as advised by attendance officer / pastoral Child should shield until you are informed that restrictions are lifted and shielding is paused again 	<p>...when school / other agencies inform you that restrictions have been lifted and your child can return to school again</p>
 <p>....I am not sure who should get a test for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> Only people with symptoms* need to get a test People without symptoms are not advised to get a test, even if they are a 'close contact' of someone who tests positive 	<p>...when conditions above, as matching your situation, are met</p>
