Monday 21 June

Dear Parents and Carers of Year 9 students

Unfortunately, we have significantly reduced staffing in school this week. Therefore, in order to ensure safe staffing ratios, we require Year 9 students to work from home. Students should follow their usual timetable to attend live lessons with their teachers via Google Meets. Class teachers will communicate full instructions to their students via Google Classroom. Please contact helpdesk@st-wilfrids.org if your child is unable to log in to their classes.

Places are available in school for vulnerable students and for the children of key workers who attended in previous lockdowns. If this applies to your child, please contact admin@st-wilfrids.org so that we can allocate places.

We will contact families eligible for free school meals with an update about provision for your child later on today.

Again, we understand this will be an inconvenience to parents and we apologise for this, but we must be able to operate the school safely.

Thank you for your support.

Kind regards

D Ritchie
