July 2021

Acting Head of School: Mrs D Ritchie
Acting Executive Headteacher: Mrs F Craik

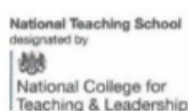

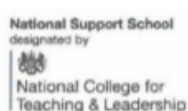

Dear Parent/Carer,

Calculators are used in many subjects such as Maths, Science and Geography. By owning a calculator, your son/daughter will be able to complete specific home-learning tasks with ease and will gain valuable practice on how to correctly use all the functions on them. Scientific calculators costing £10.79 are now available on ParentPay. The deadline for payment is 26th September, orders will be placed the following day.

The calculators on ParentPay meet the requirements of the exam board, many other calculators you can buy in local stores do not have all the functions needed to answer exam questions correctly. If your child currently owns a calculator, or you have found one in a local store that you would prefer to buy, please ask your child to check the model with their maths teacher.

Yours Faithfully,

Mrs H Armstrong
Head of Maths

Excellentia per fidem, per scientiam, per adiuvatum
