20th October 2021

Dear Parent/Carer,

We are writing to you to provide further information about the forthcoming Year 11 and Year 13 internal assessments. The assessments will follow usual examination protocols to enable students to experience a formal examination setting and will take place 3rd-16th November 2021. French and Spanish speaking assessments and music performance pieces will also take place during this period. Your child's MFL or music teacher will inform your child of their individual time slot over those days.

All students will follow their usual timetable when not in an assessment. Year 13 students must continue to attend all timetabled lessons, unless they are in an examination.

In order to prepare students for these assessments, teachers have provided each student with targeted revision homework tasks which they will be completing during the half term and the first week back after half term. Revision techniques will be shared on the year group Google Classroom stream and there will be a dedicated PSHE session where they will create an independent revision timetable to structure their home-learning during the assessment period.

It is important that your child completes their revision homework tasks so that they will be best prepared for success in their assessments. All students have been issued with their individual assessment timetable so that they can plan their time effectively and so you are able to support your child with their preparation. The link below shows the generic assessment timetable for all subjects.

<https://www.st-wilfrids.org/school-life/exam-timetables/>

If you have any questions, please contact your child's Head of House in the first instance.

Yours faithfully,

Miss A Fairlamb and Mrs R Maxwell

Assistant Headteachers
