21st January 2022

Dear Parent/Carer,

I am writing to you to provide further information about the forthcoming Year 11 and Year 13 internal assessments. The assessments will follow usual examination protocols to enable students to experience a formal examination setting and will take place 7th-17th February 2022. French and Spanish speaking assessments and music performance pieces will also take place during this period. Your child's MFL or music teacher will inform your child of their individual time slot over those days.

All students will follow their usual timetable when not in an assessment. Year 13 students must continue to attend all timetabled lessons, unless they are in an examination. If any student misses a paper due to absence they will catch up when they return to school.

Students will be preparing for these assessments in lessons, through homework and through targeted intervention sessions where appropriate. For further support, please see the following links which provide guidance on study support and revision techniques. Additional materials for parents to use to support their children at home can be found on our family learning page.

<https://www.st-wilfrids.org/curriculum/key-stage-4/>

<https://www.st-wilfrids.org/our-school/family-learning/>

It is important that your child fully engages with all support available so that they are best prepared for success in their assessments. All students have been issued with their individual assessment timetable so that they can plan their time effectively and so you are able to support your child with their preparation. The generic assessment timetable for all subjects can be found overleaf. Year 11 students who study BTEC Engineering have two external assessments during this time, and these are highlighted in grey. Where students have clashes, they will sit the assessment in the alternative slot on the timetable, highlighted in green.

If you have any questions, please contact your child's Head of House in the first instance.

Yours faithfully,

Mrs R Maxwell

Assistant Headteacher
