Need to Know

This is a level 1/2 qualification and is equivalent to one GCSE.

The qualification is graded Pass, Merit and Distinction (it is not graded 9-1).

You will be assessed through a mixture of assignments and an exam. You will be formally assessed throughout Yr10 and Yr11 of the course.

What will I learn on the course?

Health and Social Care is the right subject for you if you are:

- interesting in the topics that we will learn about,
- have a passion for learning,
- love to help people,
- are organised,
- and dedicated to working hard to meet deadlines set throughout the course.

What You Will Learn

Component 1 (30%)

Human Lifespan Development

This is assessed through assignments and cover the following topics:

- growth and development across life stages
- factors affecting growth and development
- different type of life events
- coping with change caused by life events

Component 2 (30%)

Health and Social Care Services and Values

This is assessed through assignments and cover the following topics:

- health and social care services
- barriers to accessing services
- care values
- reviewing your own application of care values

Component 3 (40%)

Health and Wellbeing Human Lifespan Development

This is assessed through an external exam

- factors affecting health and wellbeing
- physiological indicators
- lifestyle indicators
- health and wellbeing improvement plans
- obstacles to implementing plans

Careers in Health and Social Care

- The National Health Service (nursing and midwifery)
- Social Work
- Sports science
- Childcare
- Community care
- Allied Health Professional (physiotherapist, occupational therapist)
- Management
- Primary education
- Health psychologist

There are so many careers that health and social care can lead to. These careers not only allow you to **work with a wide range of people in society** but they allow you to share your caring nature for others and **make a difference in people's lives**.

More information is available from **Mrs Suleman** (Head of Health and Social Care)
