Dear Parents/Carers,

Year 9 End of Year Assessments

Our annual End of Year Assessments for year 9 will commence from Monday 6th June. These assessments will be carried out during the timetabled slot shown overleaf and will assess knowledge from the Key Stage 3 curriculum taught to date. Results will be communicated to parents via letter in the summer term data profile.

Students will be preparing for these assessments in lessons, through homework and through subject-specific revision guidance from class teachers. Teachers have provided each student with targeted revision homework tasks in the build up to assessments which will assist with preparation.

In addition, students will have a focused revision techniques PSHE lesson and they will also map out a revision homework timetable.

For further information, please see the following links which provide guidance on study support and revision techniques. Additional materials for parents to use to support their children at home can be found on our family learning page:

If you have any queries regarding the year 9 assessments, please contact your child's Head of House in the first instance.

Yours sincerely,

Mrs R Maxwell

Assistant Headteacher
