Excellence through Faith, Learning and Support

Faith:

Next week our focus for collective worship will be to **love one another**; we will be particularly encouraging students to think about respect for each other, diversity and friendship.

VirTuesday

Each Tuesday of this half-term we are focusing on a different virtue, in preparation for the launch of our new character building programme at the start of the 2022-2023 academic year. The seven Catholic virtues are habits that help us master a morally good life. This week we explored **Prudence** - being logical, self-aware and learning from experience.

Year 11 Liturgical Service

This morning we celebrated a liturgical service with our Year 11 children, their tutors and our pastoral team, marking the arrival at the end of their time in Key Stage 4. The students were wonderful throughout our celebration.

Learning:

KS3 End of Year Assessments

Our End of Year Assessments continue for our KS3 students. We want to say well done to the students for their hard work this week and the commitment they have shown towards their studies.

Support:

Well-being Wednesday

This week, we've introduced Well-being Wednesday as part of our PREP (morning registration activities). Our focus this week was resilience, looking at what resilience is and isn't, as well as why it's important for our mental health:
