St Wilfrid’s Sixth Form Options

Firstly, I would like to take this opportunity to congratulate you on all of your hard work throughout the external exam period.

Using your feedback from our Year 11 information evening in May and the recent destinations form you have completed in school, I would like to share our Sixth Form option blocks for September 2022.

As a student of St Wilfrid’s, you have a place in our Sixth Form in September and we are excited to welcome you back. Conditional places are offered to all students that currently study at St Wilfrid’s and if our entry requirements are met, official enrolment takes place on results day.

On results day students will enrol to Sixth Form and select four subjects, one from each option block below. They will study all four subjects until October half term and then most students will decide which three subjects they would like to continue to study until the end of Year 13.

For more information on our entry requirements, the enrolment process or your options please contact Miss Tennet: htennet@st-wilfrids.org or visit the Sixth Form page of our school website.
