## **Year 11 Parent Information Evening**

*Tuesday 14<sup>th</sup> March, 5.30 - 6.30pm*

Dear Parent/Carer,

We would like to invite all Year 11 parents/carers to join us for an information evening on Tuesday 14<sup>th</sup> March. We recognise the demands on Year 11 students at this time of the academic year and we would like to take the opportunity to outline the support we are providing for our students in preparation for their upcoming exams.

During the evening we will provide information on the various strategies we are implementing to guide our students to fulfil their potential and how you can support your child by outlining some independent revision strategies. We will also share specific 'top tips' from English, Maths and Science that our subject leaders believe are the key to success in the final months. There will also be further information about our Sixth Form and careers to support you in ensuring your child is prepared for the next steps of their education.

Due to expected high demand, and limited seating, we ask that students do not attend this event. Students have weekly assemblies where this information is shared with them. If you have any further questions or queries, please contact Mr Mence.

We do hope that you will be able to join us for this event.

Mr L Mence  
Associate Assistant Headteacher
