Excellence through Faith, Learning and Support

Faith:

This week, the focus of our Liturgical Prayer has been God the Father revealed in the Son.

Following the teaching of Jesus, we believe that everyone is chosen and special and a valuable part of the family of God. We believe that God created our beautiful world; a world where everyone should have the basic things we need in life. The Eucharist is a sacrament of love and a sign of unity. The word communion reminds us of union and community. We celebrate our union with Christ and our community with people locally and globally.

Learning:

Students of the Week

This week, our amazing winners are:

Aidan: Joseph Ruddock and Keira Murphy

Bede: Luca Osmulikevici and Jakob Foster

Cuthbert: Isla Harkness and Robin Purvis

Hilda: Sadaf Ahmadi and Finley Whale

Margaret Clitherow: Emily Potts and Darcie Defty

Congratulations - we're all very proud of you.

PSHE Achievement Award

We recently moved onto our fifth and final PSHE cycle of the academic year. At the end of Rotation 4, we asked staff to nominate students who made an outstanding contribution throughout the seven weeks. 'Fantastic and mature contributions' during class discussion and being respectful to the views of others were some of the fantastic reasons our students were nominated. Congratulations to our winners:

Year 7: Charlie Smith 7B2

Year 8: Eniola Ijaduola 8A2

Year 9: Ruby-Luna Calvert 9MC1

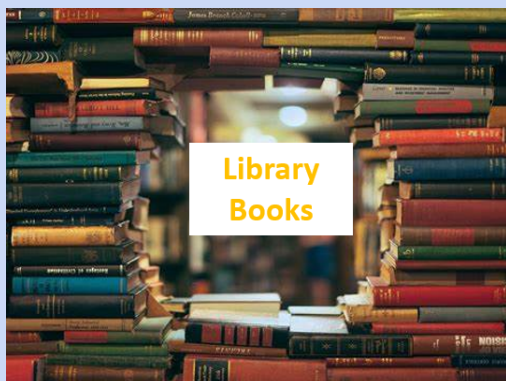

Year 10: Aimee Ratcliffe 10H1

Keep up the great work!

Key Stage 3

All students in Key Stage 3 will be undertaking cycle three assessments in lessons over the coming weeks. Assessments will help to inform the cycle three data report which will be sent home later in the term. Assessments will start the w/b 19th June and last approximately a fortnight. Below is a link to the school website where you can find a series of videos providing tips and information to support your son/daughter with their revision:

Renewal of Library Books

Please can all students search at home for any overdue school library books and bring them into school to be renewed. It's really important that we keep track of our stock so that we can continue to use our local school library service. All library books need to be returned or renewed before the summer holidays.
