Excellence through Faith, Learning and Support

Faith:

This week, the focus of our Liturgical Prayer has been the Holy Trinity.

God the Father, the one who cares for us and loves us like a good father. He is the creator and sustainer of the world.

God the Son, Jesus, the one who was sent to earth as a human being in order to save humanity from itself. He is both fully God and fully human. He is the example of how to be.

God the Holy Spirit, the aspect of God present and working in the world. Like the wind, the Holy Spirit cannot be seen but the Spirit's power can be felt.

Prayer:

"Glory be to the Father, and to the Son, and to the Holy Spirit, as it was in the beginning, is now, and ever shall be, world without end. Amen."

Learning:

Students of the Week

This week, our amazing winners are:

Aidan: Grace Myers and Leo Innes

Bede: Salem Matadi and Luca Mossa

Cuthbert: Sophie Whyte and Rebecca Blyth

Hilda: Tony Lister and Grace Hall

Margaret Clitherow: Charlie Hall and Kenzie Henderson

Congratulations - we're all very proud of you.

Key Stage 3

All students in Key Stage 3 will be undertaking cycle three assessments in lessons over the coming weeks. Assessments will help to inform the cycle three data report which will be sent home later in the term. Assessments will start the w/b 19th June and last approximately a fortnight. Below is a link to the school website where you can find a series of videos providing tips and information to support your son/daughter

with their revision:

Year 11

Year 11 students must attend school as usual throughout the external exam period. Their last full day in school is **Thursday 15 June**. After this date they are required to attend school for examinations only. Thank you for your support with this.

Renewal of Library Books

Please can all students search at home for any overdue school library books and bring them into school to be renewed. It's really important that we keep track of our stock so that we can continue to use our local school library service. All library books need to be returned or renewed before the summer holidays.

Support:

Vapes are becoming an increasing problem in schools nationally. While vapes don't contain tobacco or the other chemicals that cause smoking-related diseases, vaping is not risk-free and non-smokers and children should be encouraged not to vape.

A guide for parents and carers can be found here:

VAPING AND E-CIGARETTES THE FACTS

**NICOTINE VAPES CAN HELP ADULT
SMOKERS TO STOP SMOKING.**

SMOKING CAUSES DISEASE AND EARLY DEATH.

Vaping is much less harmful than smoking as you don't inhale the **toxic tar** and **carbon monoxide** you get from tobacco smoke.

BUT VAPES ARE NOT HARMLESS.

Short-term effects can include **coughing**, **headaches**, **dizziness**, and **sore throats**. Long-term effects are as yet unknown.

**MOST CHILDREN AND YOUNG PEOPLE DON'T VAPE OR SMOKE.
DON'T SMOKE? DON'T START TO VAPE.**
