Dear Parent/Carer,

I am writing to thank you for your support in preparing students during the ongoing Preliminary Examination period. For many students the experience of preparation for, and undertaking of, formal exams can be a daunting process. We are not only looking to prepare students for the academic demands of the papers they will sit but further develop their resilience and preparedness for the challenges of sitting multiple assessments during a short period of time.

We are halfway through the assessment period with a further week to follow after half term. Your son/daughter has been provided with revision material to complete in preparation for the remaining assessments, please support them to strike the correct balance between rest and recuperation and preparation for any upcoming assessments.

A copy of the exam timetable can be found on the school website:

Yours sincerely,

Mr Windass
