## Randomised Controlled Trial of Trauma-Informed Schools UK programme- Year 8.

Dear Parent/Carer,

As a year eight student, your child will be invited to take part in a survey examining whether implementing trauma-informed practices in schools benefit young people.

By participating in this study your child will complete an online questionnaire in Term 1 2023/24 and Term 2 2024/25. The survey questionnaire will ask your child about their overall wellbeing, connections to school, friends and community, as well as behaviours and general health. **Your child will complete the survey questionnaire throughout the course of the school day in the upcoming week.**

If you have any queries about how the study will be run in class or would like to withdraw your child's participation in this study, please contact a member of staff using [tisoptout@st-wilfrids.org](mailto:tisoptout@st-wilfrids.org). If you do wish to withdraw your child from the survey questionnaire, please inform school using the email address above by **15:10 on Friday 1<sup>st</sup> December.**

For further information on the trial please visit the following link [Ipsos MORI report \(ipsosinteractive.com\)](https://www.ipsosinteractive.com).

Thank you for your ongoing support.

Yours faithfully,

Mrs D Ritchie  
Head of School
