Dear Year 11 Parent/Carer,

I would like to take this opportunity to thank you for your support during the Autumn term, the first for your child as a Year 11 student. This week our assemblies have focussed on reflection. Year 11 is a challenging year and we have asked your child to review the successes they have experienced so far and set personal targets for their areas for development, to ensure they continue to overcome these challenges and make progress ahead of their next round of prelim examinations in February.

We would like to invite all Year 11 parents/carers to St. Wilfrid's on Thursday 11th January, 5-6.30pm, to share information regarding the strategies which will be implemented with your child in the new year, to support them in the lead up to their external examinations.

If you wish to attend, please complete the short form using the following link:

<https://forms.office.com/e/9uS18wavSV>

Your child is not expected to attend the evening as strategies are regularly communicated with Year 11 in morning registration and weekly assemblies.

Homework has been issued to your child to complete over the Christmas holidays to ensure the knowledge they have acquired this term remains fresh in their minds upon their return in January. It is also vitally important that your child takes time to rest, recharge and spend time with friends and family this festive period. Please discuss your child's homework with them to ensure they are managing their time appropriately.

I would like to wish you and your family a very Merry Christmas and we look forward to welcoming you to St. Wilfrid's on Thursday 11th January for our information evening.

Yours sincerely,

Mr Mence
