

WELCOME TO ST WILFRID'S RC COLLEGE

Dear Year 6 pupils,

We are delighted that you will soon be joining our school community, and we look forward to supporting you as you take this important step into Year 7.

At St. Wilfrid's, we understand that moving from primary to secondary school can feel like a big change. That's why we have a dedicated transition programme in place to help you feel confident, comfortable, and ready for the journey ahead. Starting today, and continuing over the next few weeks, we will be providing you with weekly bitesize instalments of information about life at St Wilfrid's. There will also be some short activities for you to complete and bring along to your transition days, on the 10th and 11th of July.

Our transition days form part of the transition programme, during these days you'll have the opportunity to meet some of your new teachers, tour the school, take part in welcome activities, sample some lessons, and ask any questions you may have. We're also in close contact with your primary schools to make sure we know how best to support you as an individual.

At St. Wilfrid's, we aim high in all we do and are committed to everyday excellence. We look forward to welcoming you into our school community and supporting you as you begin this journey with us.

Yours faithfully,
Mrs C. Lennox
Head Teacher

WELCOME TO ST WILFRID'S

Transition Coordinator's Introduction

Dear Year 6 pupils,

It is my pleasure to welcome you into our school community and to introduce myself. I am Mrs. Thompson and I am your transition coordinator. My role is to make sure that your move from primary to secondary school is as smooth, positive, and enjoyable as possible.

Starting Year 7 is a big step, but you are not doing it alone. At St. Wilfrid's, we understand that everyone feels differently about change. Some of you might be excited, others a bit nervous; that's completely normal. Whatever you're feeling, we're here to support you every step of the way. Our aim is to help you feel part of our community from the very beginning.

I'm really looking forward to meeting each of you and getting to know you better. You are about to begin an exciting journey, and I'll be here to help you make the most of it. If you or your families have any questions or concerns at any stage of the transition process, please know that I am always here to help.

Yours Faithfully,
Mrs. Thompson

Year 7 Transition Ambassadors

In order to support you in every way we can, we also have a dedicated team of Year 7 Transition Ambassadors; friendly, helpful pupils who joined us last year and understand exactly how you might be feeling.

As part of a wider team, our ambassadors will be helping you every step of the way. You will be seeing more of them in our weekly updates.

Our ambassadors are here to answer your questions, share their own experiences, and help you settle in during your first few weeks. Whether you're unsure where to go, need help making friends, or just want a friendly face to talk to, they'll be there to support you.

You'll meet them during your transition day, and don't worry, they're really looking forward to meeting you too!
